PROFILE

I am a 2nd year computer engineering student at Muğla Sıtkı Kocman University. I take courses on Python, Java in my school classes, but I want to make a career as a Web Developer. That's why I have been focusing on web development with HTML, CSS, JS, Tailwind, React for 7 months. I publish projects on my GitHub. I am seeking opportunities to apply my skills and knowledge in a professional setting, and I am excited about the possibilities that the future holds.
